A diagram of a baseball field with seating numbers. The field is green and has a white base path. The seating area is divided into sections with numbers: 10, 20, 30, 40, and 50. The numbers 10, 20, 30, and 40 are repeated in each of the four sections. The number 50 is in the center section. There are two red circles on the left and right sides of the field, likely representing home plate and pitcher's mound.
